

## Flying Food Group services fourth French bee location

[Flying Food Group](#) is now catering three weekly [French Bee](#) flights between Miami and Paris Orly airport. Service began on December 15. Nicolas Rondeau, Flying Food Group Executive Vice President, Airline Sales and Marketing, noted in a recent release that this is the fourth French Bee location catered by the company. Flying Food has been developing new routes in the U.S. over the past few years.

The Group also caters French bee at San Francisco, Los Angeles, and Newark. French Bee has been a Flying Food Group customer since 2018.
