

Flying Food Group to cater Virgin Atlantic flights from SFO

Flying Food Group catering for Virgin Atlantic at SFO

[Flying Food Group](#)'s San Francisco ([SFO](#)) facility has begun daily catering service for Virgin Atlantic flights from San Francisco to London Heathrow ([LHR](#)), with operations launching on April 28.

As part of an ongoing, long-term collaboration with Virgin Atlantic, Flying Food Group is also set to expand catering services to five additional U.S. gateways: New York, Los Angeles, Miami, Orlando and Washington D.C. (Dulles).

Virgin Atlantic's return as a client highlights the strength and continuity of a successful partnership that first began in 2015, the press release said.
