[GIC International Catering](#) has officially opened a branch in Beijing, China marking a strategic step in strengthening the company's presence in the Chinese market.

The company said the expansion comes as China's aviation and logistics sectors continue to grow and evolve, creating opportunities to deepen cooperation with local partners and airlines. By establishing a dedicated office in Beijing, GIC International Catering aims to strengthen relationships within the market and provide more responsive support to its business partners.

According to the company, the Beijing-based team brings together expertise across sales, logistics, finance and legal affairs, allowing GIC International Catering to support partners and airline customers directly on site through closer and more efficient collaboration.

"I would like to thank everyone who contributed to making the opening ceremony such a successful and memorable event. We look forward to this exciting new chapter and to building long-term success together in China," said Göksel Yildirim.
