

Qatar Airways and gategroup sign inflight dining partnership

Qatar Airways and gategroup sign agreement for inflight dining services

[gategroup](#) has announced a catering partnership with [Qatar Airways](#) to elevate the inflight dining experience. The two companies signed a structured Business Management Agreement that will see collaboration on inflight dining, sourcing and procurement, healthy eating and sustainability, the February 12 press release said.

“This partnership with gategroup will amplify the Qatar Airways brand by delivering refined culinary experiences for our guests, inflight and on the ground in our world class lounges at Hamad International Airport. gategroup brings an exciting new beginning to an already world class standard of catering by Qatar Airways. Collectively our innovation and operational excellence will set a new standard for Inflight dining,” said Engr. Badr Mohammed Al-Meer, Qatar Airways Group Chief Executive Officer.

gategroup's culinary team will be based in Doha and will develop a dedicated culinary studio for the 2

airline. The menu offerings will focus on high-quality ingredients, health and nutrition and incorporating local produce that is sustainability sourced.

“We are genuinely honored to walk this path alongside Qatar Airways. It is a journey of discovery, growth, and immense potential, and we firmly believe in the transformative power of collaboration, where two companies come together with shared visions and values to craft something truly outstanding,” said Christoph Schmitz, Chief Executive Officer of gategroup.
