SriLankan Airlines "Serendib Delights" for Economy Class

[SriLankan Airlines](#) has introduced "Serendib Delights," a pre-order meal service exclusively for Economy Class passengers. This service enhancement allows travellers to select from a curated menu before their journey for an elevated onboard dining experience.

With Serendib Delights, Economy Class passengers can choose from an assortment of meals designed to meet a variety of dietary preferences. The menu features options such as Salmon Steaks, Chicken Lamprais, Fillet Steaks, Fish Fritters, Beef Burgers, Seafood Pies and authentic Arabic, Western and Indian breakfasts.

Each meal is prepared from fresh ingredients. The menu also includes vegetarian, vegan and gluten-free options, ensuring that every passenger can find something to delight their taste buds. All meals catered from Colombo and many other locations across the SriLankan network are Halal Certified, the press release said.

"At SriLankan Airlines, we are committed to making every onboard experience special for our valued passengers. Serendib Delights offers the best of exquisite flavours crafted by SriLankan Airlines' culinary experts, all at a price that's within reach," said Gayan Wickrama, Senior Manager Commercial Services and Support of SriLankan Airlines.
