

Sunclass Airlines adds pizza slice to light meal offering

Pizza slice available onboard June 1

[Sunclass Airlines](#) has announced the addition of a pizza slice to its light meal assortment, available onboard beginning June 1 in collaboration with [Monty's Bakehouse](#).

The airline said the offering is part of its ongoing focus on enhancing the onboard experience through increased variety, convenience and products designed to appeal to passengers during their journey. The pizza slice introduces another familiar and satisfying option for guests seeking a quick meal while in transit.

Sunclass Airlines said that it will continue monitoring passengers feedback as it further develops its onboard food and beverage selection. The airline said it looks forward to seeing how passengers respond to the addition as part of its broader efforts to improve the passenger experience.
