
Turkish Airlines signs Flying Food Group

By **PAX International** on January, 11 2019 | Catering

[Flying Food Group](#) has been signed to cater six weekly [Turkish Airlines](#) flights between Miami and Istanbul, a contract that will expand to seven flights per week when the summer travel season hits.

Nicolas Rondeau, Flying Food Group Executive Vice President, Sales and Marketing, said in a statement from the caterer: "We welcome new customer Turkish Airlines and look forward to expanding our connection."
