

# Flying Food Group's Newark facility caters Air France's new route

Flying Food is not catering Air France's new route between New Jersey and Paris

[Flying Food Group](#)'s Newark facility has started catering on [Air France](#)'s new route between Newark and Paris as of December 12.

As part of a long-term fruitful collaboration, Flying Food Group is also catering Air France on routes to Los Angeles, San Francisco, Miami, and Chicago.

In welcoming Air France at Newark, Flying Food Group Executive Vice President of Airline Sales Nicolas Rondeau said Flying Food Group is delighted to extend its relationship with a long-standing customer.
