Newrest Toronto announced last week it has been awarded the catering service contract by Air India.

Newrest loaded the first flight September 27 after a short window to the startup date.

Air India operates three flights a week connecting Toronto to Indira Gandhi International Airport - in Delhi. Air India operates a 777-300 with 4 First Class, 35 Business and 303 Economy Class seats.

Also in September, Newrest Toronto catered the first flight of Pakistan International Airlines. PIA operates a 777-200 for four flights per week from YYZ.
