

Foodfolk Australia becomes finalist in the 2024 WasteSorted Awards

Foodfolk Australia has been named a finalist in the 2024 WasteSorted Awards under Category 3: Business Award

[Foodfolk Australia](#) has been named a finalist in the 2024 WasteSorted Awards under Category 3: Business Award, the company announced via LinkedIn.

The WasteSorted Awards, presented by the WA State Government, celebrate the outstanding achievements of Western Australians committed to a low-waste future. These awards recognize improvement in waste practices and innovative waste solutions.

At Foodfolk, environmental sustainability is at the heart of our corporate and employee core values. Being acknowledged for our efforts in this area is a testament to our team's dedication and hard work," Foodfolk Australia said. "Congratulations to all the finalists! Together, we are paving the way for a more sustainable and environmentally friendly future."
