

# CATRION signs agreement with solutions by stc

CATRION and solutions by stc sign agreement

[CATRION](#) has signed an agreement with [solutions by stc](#), the company announced via LinkedIn this week.

solutions by stc's end-to-end technological solutions are set to enhance the way CATRION delivers its inflight catering services. The partnership will see solutions by stc revamp CATRION's network infrastructure technology and boost the network performance efficiency of CATRION's communications.

The agreement between the two will “develop and modernize its network infrastructure technology and connect it with the latest innovative technologies,” CATRION said.
