

# dnata wins catering contract with Thai Airways in Milan

dnata to cater Thai Airways flights from MXP

[dnata](#) has secured a multi-year contract to deliver premium inflight catering for [Thai Airways](#) as the airline resumes its services to Italy.

Operating from its Milan Malpensa ([MXP](#)) airport facilities, dnata's expert teams will prepare and supply over 200,000 meals annually, ensuring a top-tier, 'smooth as silk' dining experience on the Thai flag carrier's daily flights from Milan to Bangkok ([BKK](#)).

"We are delighted to welcome Thai Airways as their exclusive catering supplier at MXP. Our experienced team will consistently provide outstanding culinary products and services that contribute to the passengers' memorable journey. We look forward to a long and successful partnership," said Nicola Citarella, Chief Executive Officer, dnata Catering & Retail Italy.

Including Thai Airways, dnata provides catering and retail services in Italy to 36 airlines at 11 main airports with a team of more than 880 hospitality professionals. In the financial year 2023 to 2024,

dnata Catering & Retail teams uplifted some 12 million meals for more than 140,000 flights in the country, the August 14 press release said.
