dnata partners with Lufthansa Group for services at AMS

[dnata](#) has secured a major contract with [Lufthansa Group](#) at Amsterdam Schiphol Airport ([AMS](#)). With this partnership, dnata will provide safe and reliable passenger and ramp services to four of the group's airlines, contributing to an elevated travel experience for an estimated 1.6 million passengers on 7,300 flights annually, the May 10 press release said.

[Lufthansa](#), [Swiss International Air Lines](#), [Austrian Airlines](#) and [Air Dolomiti](#) operate a narrow-body Airbus and Embraer aircraft between Amsterdam and four cities: Frankfurt, Munich, Zürich and Vienna.

"We are proud to partner with Lufthansa Group, supporting them with our quality services above and below the wing. Our deep understanding of customers' needs will ensure a safe and smooth journey for passengers. We look forward to a successful partnership with Lufthansa Group in Amsterdam," said Jan van Anrooy, Managing Director, dnata Netherlands.
