

Kaelis opens North America office in Irving, Texas

Ashley Kerber, Sales Director, Kaelis

[Kaelis](#) has announced the opening of a new office in North America, in collaboration with the [LSG Group](#) and Sales Director for the Americas, Ashley Kerber. Kerber will be occasionally working from the LSG Group's US headquarters in Irving, Texas, demonstrating the close relationship between the two companies.

"This expansion marks a significant milestone in our commitment to better serve our valued customers in the region and enhance our ability to provide you with faster response times and increased accessibility," Kaelis said in its press release.

The company is looking forward to continued growth through this collaboration and the opening of its latest office location, under the direction of Kerber. She joined Kaelis as Sales Director in January 2024.
