

# Miles GSE and GIC International Catering further collaboration with latest agreement

Miles GSE and GIC International Catering signing the agreement at WTCE

[Miles GSE](#) has signed an agreement with [GIC International Catering](#) to secure the delivery of its latest catering trucks. The signing took place during the [World Travel Catering & Onboard Services Expo](#) in Hamburg, Germany, earlier this month.

“Another milestone — the renewal of our fleet is in full motion,” said Göksel Yildirim, Managing Director, GIC International Catering.

The contract covers an initial delivery of two units, with an additional five units scheduled for rollout throughout this year and next.

“We value the opportunity to further strengthen our partnership with GIC International Catering and look forward to continued collaboration built on shared standards of quality, efficiency, and service excellence,” Miles GSE said via LinkedIn.
