

Stichting IMMENS welcomes AAB-inflight as partner

Harry Boshouwers, CEO, AAB-inflight, and Roel Beugels, Project leader of the IMMENS Foundation

[AAB-inflight](#) has joined [Stichting IMMENS](#) as a partner. AAB-inflight is located at Maastricht Aachen Airport ([MST](#)) in the Netherlands, where it houses its [Food Inspiration Center](#).

The 1,500-square-meter building at MST is supplied with 100 percent renewable energy. AAB-inflight is constantly looking for sustainable and biodegradable packaging solutions.

“Thanks to Harry Boshouwers of AAB-inflight for your trust!” Stichting IMMENS said in its LinkedIn post, announcing the partnership.
