

AMI Group appoints Parissa Safavi as Vice President Global Wine Operations

Parissa Safavi, Vice President Global Wine Operations, AMI Group

[AMI Group](#) has announced that Parissa Safavi has been promoted to Vice President, Global Wine Operations.

In this new role, Safavi will lead AMI Group's global wine operations team, overseeing operational planning, coordination and execution to support its growth and expanding customer portfolio.

The group shared in its announcement that Safavi was the second employee at AMI Group, starting in 1992.

"Her journey with us has been nothing short of extraordinary," AMI Group said via LinkedIn. "Please join us in congratulating Parissa on this well-deserved promotion and continued leadership in our global wine strategy!"
