# Fleury Michon names new VP of Sales and Marketing

By **PAX International** on September, 14 2018 | People

Stephane Koeman, Fleury Michon's new VP of Sales and Marketing

[Fleury Michon Airline Catering](#) has welcomed Stephane Koeman as VP of Sales and Marketing. Stephane has over 30 years of marketing and sales experience with a proven record in building strong customer partnerships and growing businesses. He is known for his numerous leadership and management skills as well as for his devotion throughout his career.

Raised by his European Chef father, he was exposed to different cuisines which eventually led him to his personal food interest. His deep understanding of the food culture will make a key player at Fleury Michon Airline Catering, according to a statement from the company.
