

Linstol appoints Seth Still as Director of Supply Chain

Seth Still, Director of Supply Chain, Linstol

[Linstol](#) is welcoming Seth Still to the team as Director of Supply Chain.

From inventory analysis to project management, Still will lead all facets of supply chain operations at Linstol. He brings extensive experience in supply chain and logistics leadership, with a strong track record of driving operational efficiency through data analysis, SOP development, supplier negotiations and process optimization.

“Seth’s expertise aligns perfectly with Linstol’s commitment to quality, reliability and innovation across our global supply chain, and we’re excited to have him support our continued growth and customer-focused mission,” Linstol said via LinkedIn.
