

Procurall Solutions CEO Jennifer Green wins Empowered Woman of the Year 2024

Jennifer Green, CEO, Procurall Solutions, wins Empowered Woman of the Year 2024

[Procurall Solutions](#) has announced that CEO Jennifer Green has won the Empowered Woman of the Year 2024 award. Since co-founding Procurall Solutions in 2022, Green has been a force in the industry.

“Her passion for eco-luxury travel is changing the game. From Top Co-Founder of the Year in 2023 to this amazing honour, she is a true inspiration!” the company said in a LinkedIn post.

This award is a testament to her leadership, unwavering commitment to sustainability, and dedicated work at Procurall Solutions. Her innovative strategies have positioned Procurall Solutions as a leading partner for airlines seeking to reduce their environmental impact while upholding the passenger

experience.

“This award is a true reflection of Ms. Green’s dedication to revolutionizing travel,” said her team at Procurall Solutions. “From eco-friendly materials to smart waste solutions, she’s leading the charge. It’s not just about business for her – she’s building a better world, one flight at a time. We are incredibly proud of her for winning Empowered Woman of the Year.”
