

# AMBAAR Club network opens in Brazil

The AMBAAR Club lounge at Fortaleza International Airport

Following the opening of their first [AMBAAR Club](#) lounge at [Viracopos International Airport](#) in December 2021, [Airport Dimensions](#) and VIP lounge operator AMBAAR Lounge have opened at two Brazilian airports this month.

Passengers at [Fortaleza International Airport](#) (FOR) and [Porto Alegre International Airport](#) (POA) will now have access to an AMBAAR Club. Both lounges will provide a range of services in a comfortable and contemporary environment that celebrates the heritage of the local area.

The AMBAAR Club POA combines high-quality design with a host of facilities to make the travel experience more relaxing and convenient. There will be private rooms for calls and meetings will and an exclusive coffee bar area, buffet and cocktail bar. The lounge design has been inspired by local themes of the surrounding Rio Grande do Sul area, with an emphasis on wood and leather with highlights in rich shades of red, yellow and green that reflect the state's flag. The result is a space that evokes the cozy environment of a country house typical of the mountain cities of the state.

AMBAAR Club FOR pays homage to the culture of Brazil's northeastern Ceará state. Details such as a vibrant color scheme provide a warm and welcoming ambience, while hammocks and strategic lighting encourage the guest to daydream of the city's relaxing beaches and the balmy northeastern Brazilian sun.

A complementary menu offers an extensive selection of international and locally inspired food and beverages, as well as a wide range of vegan and vegetarian options. Visitors can choose from regional favorites such as canjica (Brazilian corn), curau de milho verde (green corn pudding) and

brigadeiros (Brazilian chocolate truffles), and freshly baked Brazilian cheese bread.

AMBAAR Club FOR and AMBAAR Club POA will both operate from 6 am to 10 pm. They will offer a range of comfortable individual and group seating options, with Ambaar Club FOR offering seating capacity for 108 guests and Ambaar Club POA able to accommodate 170 seated passengers at any one time. There are children's play areas, while co-working areas and private booths allow business travelers to work in a relaxed setting.
