[Airport Dimensions](#) has teamed up with [JPMorgan Chase & Co.](#) to bring the first domestic Chase Sapphire Lounge by The Club to Boston Logan International Airport. The move follows the opening of their first partnership in Hong Kong in 2022.

The opening of this 11,640 square foot lounge in Boston represents a significant milestone for Airport Dimensions, which now operates in 50 locations across the globe, providing personalized environments and experiences for travellers. The bespoke creation of the Chase Sapphire Lounge by The Club is designed to astound guests and offer them a space that honors a localized and meaningful part of their journey.

The lounge offers dedicated areas for relaxation, including two wellness rooms with anti-gravity massage chairs and guided meditations from Master Well-Being Educator & Healer, Devi Brown, as well as two dual-head shower rooms and all-gender restrooms stocked with Apotheke products. When it comes to dining, guests can indulge in menu items crafted by acclaimed Boston chef Douglass Williams, sip on local craft beer at the signature taproom, or enjoy a cup of coffee from Beverly's Atomic Coffee Roasters. The lounge's centerpiece bar also serves an array of wine and cocktail

options, as well as made-to-order and ready-to-eat food selections.

The lounge is thoughtfully designed to highlight the rich cultural heritage of Boston, featuring artwork from the renowned Boston-based artist, Silvia López Chavez. Guests can also enjoy breathtaking views of both the iconic Boston Harbor and the bustling Boston Logan Airfield from the lounge's vantage point.

Access to the lounge is exclusively available to Chase Sapphire Reserve cardholders who are enrolled as members of Priority Pass, the premier airport experiences program.
