All Nippon Airways (ANA), is building a new lounge in the Daniel K. Inouye International Airport in Honolulu in preparation for the launch of the A380 on the Tokyo - Honolulu route.

The lounge will feature direct boarding access for passengers who have seats in the upper premium deck and a family area with a charming design for passengers with children.

The lounge will be located on the third floor of Terminal 2, above gate C4. When ANA passengers who are visiting the lounge board from gate C4 they will be able to access the aircraft directly. Passengers boarding the upper deck of the aircraft will not have to leave the lounge.

The lounge will be opening in spring 2019, making it the largest lounge in the airport, incorporating the ANA SUITE LOUNGE and ANA LOUNGE.
