

Aspire lounge opens at ONT

Swissport operates 64 Aspire premium lounges at 38 airports

Southern California's [Ontario International Airport](#) (ONT) yesterday celebrated the launch of its new Aspire premium lounges open to all passengers for a current admission fee of \$37 per adult.

Officials for the Ontario International Airport Authority (OIAA) and [Swissport International AG](#) officially opened ONT's two Aspire Lounges - one in each of the airport's two terminals. The OIAA Board of Commissioners recently approved an agreement with Swissport to operate the premium lounges under the company's Aspire Airport Lounges brand. Swissport, which operates 64 lounges at 38 airports worldwide, expanded into the United States in February with the opening of a newly refurbished lounge in San Diego.

The all-inclusive premium airport lounges open to all ONT travelers. Guests receive a wide variety of amenities that include hot and cold food and beverages, plush and relaxing seating with power outlets, high-speed Wi-Fi and up-to-the-second flight information.

"We're pleased to welcome Swissport and Aspire Airport Lounges to Ontario. These new premium lounges add to the excitement and momentum that has been building at ONT and reflects our commitment to provide our customers with the best amenities and experience possible," said Alan D. Wapner, President of the OIAA Board of Commissioners in yesterday's announcement.

"We are delighted to open two new Aspire Lounges in America's fastest growing airport. The opening

of the Ontario lounges are an important milestone in the expansion of our global lounge network,” said Nick Ames, Head of Lounges North America. “The new lounges in Ontario now mean that there are three Aspire Lounges in California which are open to all travelers irrespective of travel class or airline and offer a dedicated space to relax, refresh and recharge before a flight.”

The Aspire Lounge in Terminal 2 will be open from 5 a.m. to 1 p.m. and from 8 p.m. to 11 p.m. (and until 12 a.m. on Wednesdays). The lounge in Terminal 4 will be open from 5 a.m. to 6 p.m. daily.
