

Al Safwa Lounge: A journey through Doha's premier lounge experience

[Qatar Airways](#) is synonymous with luxury, exceptional service and world-class travel experiences, setting the standard for premium air travel in the airline industry. Its First Class lounge at Hamad International Airport ([DOH](#)) in Doha, Qatar is no exception. *PAX International* Publisher Aijaz Khan recently had the opportunity to visit the renowned Al Safwa Lounge, experiencing firsthand the luxury and exceptional amenities offered to Qatar Airways' First Class passengers.

Dedicated passenger pickup service for Qatar First Class Passengers at DOH

Before arriving at the lounge, there is a dedicated passenger pickup service from the terminal to the Al Safwa Lounge. First Class passengers travelling with Qatar Airways are escorted directly to the lounge in a private car, ensuring a seamless and exclusive transition from the terminal to the luxurious lounge. This service adds to the premium experience, offering convenience and comfort for passengers arriving at the airport that [SKYTRAX](#) named World's Best Airport in 2024.

Upon arrival at the airline's flagship lounge, heated refreshing hand towels are offered at reception as travels are welcome into the 1,200-square-meter lounge. It offers an ultra-luxurious experience for its First Class passengers, with top-tier amenities, fine dining catered by Qatar Aircraft Catering Company ([QACC](#)) and a range of exclusive services. Located on the second level of Concourse A, Al Safwa Lounge offers stunning views of the airport.

There is plenty of room for passengers to relax at the expansive Al Safwa Lounge

Gourmet catering, personalized experience

As the in-house catering provider for Qatar Airways, QACC is responsible for delivering high-quality dining services at the lounge, offering a selection of gourmet dishes and fine beverages to enhance the luxurious experience for First Class passengers.

QACC is responsible for overseeing the exceptional culinary offerings at Al Safwa Lounge, ensuring the preparation of gourmet meals and fine beverages that cater to the tastes of Qatar Airways' First Class passengers

QACC offers a variety of gourmet breakfast options at Al Safwa Lounge, including freshly prepared dishes such as eggs made to order, an array of international and local pastries, fresh fruit, and a selection of premium coffees and juices

QACC values quality excellence, innovation, teamwork, hygiene and safety, customer focus and sustainability in its kitchen staff, ensuring the delivery of exceptional culinary experiences while adhering to the highest standards in food preparation and service

More luxurious amenities

Beyond food and drink, Al Safwa Lounge also offers a range of luxurious amenities, including private suites for sleeping, privacy and rest; a caviar and champagne bar, private rooms, business facilities, shower and spa services, an art gallery featuring local and international pieces for a cultural experience and more. Each space in the lounge is tailored to provide a unique and exclusive experience, ensuring that every passenger's need for relaxation, productivity or privacy is met in the most luxurious way.
