[Fraport USA](#) announced today that it has won a five-year contract for the retail concessions space at [Newark Liberty International Airport](#) (EWR) Terminal B. The airport retail concessions program developer will provide retail management service at Terminal B, including food court, common area and management of the loading dock and storage facilities.

Awarded by the [Port Authority of New York and New Jersey](#) (PANYNJ), this is the third new retail concessions space for Fraport USA in the last three years. The award follows a competitive bid and review process by the PANYNJ, which owns and operates EWR's Terminal B.

The company also manages the retail concessions area of JetBlue's Terminal 5 at John F. Kennedy International Airport (JFK), and has operations at Nashville International Airport (BNA) and Baltimore/Washington International Thurgood Marshall Airport (BWI).

"We are committed to our partnership with the Port Authority of New York and New Jersey," said Brett Kelly, acting Chief Executive Officer of Fraport USA. "Together, we share the vision of enhancing operations and delivering vibrant retail experiences for the passengers at Newark Liberty. At the same time, we are proud to expand our role within the largest airport system in the United States."

Fraport USA was the first to introduce a branded retail program and the independent operator model - with street pricing for U.S. airports.
