edition amenity kits for the airline's new Dubai route.

"Incorporating local inspiration with renewable materials, we have created a fabulous 'must have' amenity kit now flying on the Vienna–Dubai route until the end of March 2026," Plane Talking Products said of the amenity kit collaboration via LinkedIn.

Austrian Airlines launched the Vienna (VIE) to Dubai (DXB) route earlier this month.

"Very proud of our team for this creation," said Alison Wells, CEO of Plane Talking Products.
