[Plaza Premium Group](#) and [Cambodia Airports](#) jointly celebrated the grand opening of the new Plaza Premium Lounge in Phnom Penh recently.

Located on the Mezzanine Floor of International Departures at Phnom Penh International Airport, the new Plaza Premium Lounge is a premium facility at the newly expanded airport terminal.

As the first independent airport lounge in Cambodia, the new Plaza Premium Lounge spans more than 15,000 square feet with the capacity nearly 300 seats, bringing brand new experience to all travelers flying out of Phnom Penh International Airport, regardless of their airline or class of travel.

The lounge has is decorated with fine timber, polished granite and supreme quality fabric in the design. A captivating “photo wall” with a collection of vintage pictures of Cambodia is featured at the bar and dining area, reinforcing a sense of place and the reminiscence of this country.

The lounge is equipped with a VIP room with a seating capacity of 10 people and three shower rooms with a full selection of amenities. It offers complimentary Wi-Fi and plenty of electrical outlets for tablets, laptops and mobile phones. It also houses Wellness Spa massage and features honeycomb seating to provide extra privacy. Plaza Premium Lounge in Phnom Penh provides its guests with an array of food and beverage options. Apart from a selection of juices, soft drinks, coffee, tea, espresso and cappuccino, a selection of Southeast Asian fare is also available, including signature dishes such as Thai-style coconut and chicken soup noodle and Vietnamese spring rolls filling with prawn or mixed vegetables.

Travelers have the option of pre-booking [on the website](#) for two or five hours lounge use packages. Prices start at US\$35 for 2 hours’ lounge access including shower and US\$50 for five hours.

This year Plaza Premium Group will also be bringing its Cambodia’s second airport lounge to Siem Reap International Airport soon. Cambodia received 4.8 million international tourist arrivals in 2015 and estimates are that there will be from 7.5 to 8 million international arrivals by 2020.
