

Qatar Airways unveils special livery and onboard experience for FIFA

The livery reflects the next chapter in Qatar Airways' journey with FIFA as the Official Airline Partner of the FIFA World Cup 2026™

[Qatar Airways](#) has officially unveiled its FIFA special livery aircraft on a 777 ahead of the [FIFA World Cup 2026™](#), celebrating the airline's longstanding partnership with FIFA and its continued role in connecting fans, teams and global football communities worldwide.

Building on the legacy of the FIFA World Cup Qatar 2022™, the updated livery reflects the next chapter in Qatar Airways' journey with FIFA as the Official Airline Partner of the FIFA World Cup 2026™. The special livery aircraft will operate across key destinations in Europe, the United States and Asia, engaging fans around the world as excitement continues to build ahead of the FIFA World Cup 2026™, the May 25 press release said.

Inspired by the energy, passion, and global unity of football's biggest tournament, the distinctive livery captures the vibrant spirit of the FIFA World Cup 2026™ through its bold and dynamic design that will travel throughout the airline's global network.

In addition to the exterior design, the aircraft interior features bespoke cabin dressing inspired by FIFA World Cup 2026™. Designed exclusively for this special livery, it brings the ambiance and excitement of the tournament into the inflight experience. Following the tournament, the aircraft will continue to fly with both the special livery and cabin dressing to commemorate the event.

As the Official Airline Partner of FIFA, Qatar Airways continues to play a leading role in global sport, connecting fans, teams, and destinations through its growing international network and award-winning travel experience.

The FIFA World Cup 2026™ will be hosted across the United States, Canada and Mexico, bringing together the world's best national teams in the largest edition of the tournament to date.
