

Swissport's Club Aspire Lounge voted World's Best at World Travel Awards

The lounge was named Europe's Leading Airport Lounge earlier this year

The Club Aspire Lounge in Terminal 3 of London Heathrow Airport was voted World's Leading Airport Lounge 2022 at the prestigious World Travel Awards in Muscat, Oman. [Swissport](#) International AG operates the Club Aspire brand in partnership with Airport Dimensions, a Collinson Group subsidiary.

The lounge was named Europe's Leading Airport Lounge earlier this year. The Club Aspire Lounge brand is co-owned by Swissport International AG and Collinson Group.

"We are delighted to receive this prestigious, globally recognized award," said Shaun Weston, Managing Director SwissportALD Holdings in the November 22 release. "Our thanks go to our guests who voted for us. Our teams create memorable travel moments for our lounge guests every day and are one of the key reasons we have achieved this wonderful accolade."

The Club Aspire Lounge at T3 is open daily from 5:00 am to 8:30 pm and offers guests:

- Complimentary food and beverages including hot dishes and premium beers, wines and spirits
- Free and unlimited Wi-Fi
- Runway views
- Free digital newspapers and magazines
- Comfortable seats away from the bustling departures area

- Quiet zones
- Charging points
- Business facilities
- Showers

The Club Aspire Lounge brand is co-owned by Swissport International AG and Collinson Group. Swissport currently operates some 64 lounges at 38 airports worldwide and welcomes more than seven million passengers per year.
