

Turkish Airlines offers passengers pet carrier booking

[Turkish Airlines](#) is now offering passengers the opportunity to book pet carrier services online via its website and mobile app. The service allows passengers to book reservations for pets travelling inside the cabin as well as in the aircraft hold. Once booked, passengers can present a pet's travel document upon arrival at the airport.

Turkish Airlines Chairman of the Board and the Executive Committee, Prof. Dr. Ahmet Bolat, said in a recent release: "We understand and value the importance of our passengers' beloved pets and we're pleased to introduce this online process which will make the booking experience easier than ever. Providing an effortless premium travel experience is at the core of our mission, and this new service is another important add-on that we're glad to offer."

"As part of its efforts to continuously enhance the travel experience for its passengers, the service aims to make travelling with pets easier and more convenient. Detailed information regarding pet travel guidelines and the calculation of pet fees can be accessed through the Turkish Airlines website and mobile app. Passengers can also find essential information regarding the pet carriage service while making a reservation," the release said.
