

Virgin Australia unveils refreshed inflight menu

Virgin Australia launches new Business Class and buy-on-board Economy menus

[Virgin Australia](#) has launched new Business Class and buy-on-board Economy menus as part of its ongoing commitment to enhancing the inflight experience.

In Business Class, the airline has reimagined the menu with bold seasonal flavors and high-quality Australian produce, featuring a rotating selection of summer-inspired dishes, all included as part of the Business Class experience.

For Economy Class passengers, there are buy-on-board favorites available like Arnott's Tim Tams, a new grazing snack box and more.

Velocity Frequent Flyer members can also use their Points to redeem for food and drinks onboard.
