White Glo is set to launch 2-in-1 toothpaste in an eco-friendly Paper Sachet

[White Glo](#) announced that it will launch its award-winning 2-in-1 Toothpaste with Mouthwash in Paper Sachet packaging. This launch comes as part of the company's push for eco-friendly solutions for their products in the travel industry.

The original product, White Glo 2-in-1 Toothpaste with Mouthwash, is the recipient of many awards and currently flies with many airlines. The toothpaste combines a premium cosmetic product and science.

Packaged in a waterproof paper bag, the 2-in-1 formula delivers passenger the same refreshing and clean feeling as the original White Glo toothpaste, but now with minimum impact to the environment.
