

SKYPRO to feature circular uniform solutions at WTCE

This is a special feature from the [April 2025 WTCE issue](#) of *PAX International* on [page 16](#).

SKYPRO is bringing several of its sustainability solutions to WTCE, including its shoe recycling initiative

[SKYPRO](#) will display its innovative uniform sustainability solutions at WTCE 2025, emphasizing circularity, waste reduction and resource optimization. With a mission to revolutionize uniform management services, SKYPRO offers solutions for the entire uniform lifecycle, from design, production, stock management and reuse/recycle/reduce solutions.

Key initiatives include garment and shoe recycling, transforming waste into valuable resources and a repair and reuse program, which extends uniform lifespan with up to 60 percent savings. Additionally, SKYPRO's upcycling solutions repurpose old uniforms into premium products, closing the loop on sustainability.

"At SKYPRO, we do everything with a purpose: 1. We take care of uniforms so companies can focus on their core business. 2. Everything we do has a positive impact on the planet. That is why SKYPRO is now a certified B Corporation," the company tells *PAX International*.
