RMT Global Partners has unveiled its stunning new website, highlighting its capabilities

RMT Global Partner's tells *PAX International* it has officially relaunched its [website](#), bringing its products, services and award-winning sustainability initiatives into clearer view.

"As a company committed to innovation and constantly pushing the boundaries in product design, we strive to provide our customers with nothing but the best," says Richard Tuttle, Founder of RMT Global Partners. "Our ethos of forward-thinking extends to every aspect of our brand, including our online presence. Embracing sustainability has been a key element in our journey for all of us at RMT, and we wanted our website to capture and share that excitement with the world."

*PAX International* received a behind-the-scenes tour of the website at this year's [IFSA EXPO Long Beach](#) where RMT Global Partners and its marketing expert Blaire Brown of [Visionary Advantages](#) were present.

The site features easy-to-navigate categories highlighting RMT's products and services offered in several industries, a contact form, and a snapshot of its impressive accolades.

A key focus of the website relaunch was to enhance the user experience to align with RMT's impressive history while remaining focused on the future and integrating modern technology. It features RMT's recognizable logo in both blue and green. Blue representing its classic ranges for sectors that require single-use products, such as healthcare, while the green logo indicates its sustainable ranges, which are always in high demand, Tuttle explains.

**"In today's digital landscape, it's crucial to stay ahead. This redesign ensures that we remain at the forefront of**

# our industry, showcasing our innovation and expertise,” Richard Tuttle, Founder of RMT Global Partners

Brown tells PAX that RMT customers can also expect to see increased visibility of the company on [Facebook](#) and [LinkedIn](#).

“At RMT Global Partners, we believe in setting high standards. This redesign sets a new benchmark for our online presence, reflecting our commitment to excellence,” agrees Tuttle.

## RMT’s offerings

RMT Global Partners supplies a variety of onboard comfort products and services across aviation, cruise, rail and other sectors which can all be customized based on customer requests, Tuttle says.

Products and services available include eco-friendly paper cups, polycarbonate glassware and dishes, Bagasse serviceware and sustainable Bagasse cutlery, as well as textiles, wipes (sanitizing wipes, hot towels) and service items (ice buckets, insulated coolers). Several kits are also available, including hygiene kits, tidying kits, airsick bags, diaper kits and biohazard kits.
