AMI group marks 26 years

[AMI Group](#) is celebrating 26 years of meetings and growth. From humble beginnings in 1989 to the first companywide meeting of eight people in 1999, to a packed house with more than 85 teammates in 2025, AMI Group calls the journey "nothing short of extraordinary," in its 36-year history.

"Driven by the spirit of innovation, AMI has been fortunate to gather a team that values providing our partners with the best global solutions in the travel industry. This year, as we reflect on time spent together, we give our thanks to our team who have been our why since the beginning. Here is to many more years of staying humble and reaching new heights," AMI Group said via LinkedIn.
