APEX FTE EXPO kicked off with a warm welcome and a spectacular Singapore backdrop tonight as attendees gathered at BAIA Singapore for the event's Welcome Reception.

Sponsored by West Entertainment, the evening brought delegates together over drinks, delicious canapés and stunning views of Marina Bay Sands. The iconic skyline set the scene for catching up with familiar faces and making new connections ahead of two days of learning and networking.

With conversations flowing, the reception gave attendees a chance to relax and ease into the event. It was an opportunity to reconnect with industry colleagues, meet fellow delegates and get the discussions started before the exhibition and conference program began.

From the first introductions to the waterfront views, the evening served up a lively start to APEX FTE EXPO, with plenty more conversation on the agenda.
