Experience Officer

Andrés Castañeda Ochoa, Chief Digital and Customer Experience Officer, Aeroméxico, joins lineup for Opening Keynote

[APEX TECH](#) will take place on January 27 and 28, 2026, in Los Angeles, California, USA. This event brings together professionals and experts from the aviation and technology sectors. The conference serves as a platform for the exchange of ideas, insights and innovations, with a focus on advancing technology in the airline industry.

Now, APEX has announced that the Opening Keynote will feature Andrés Castañeda Ochoa, Chief Digital and Customer Experience Officer, [Aeroméxico](#).

This year's APEX TECH Panel Sessions will showcase the following topics:

- The latest in IFC: Is LEO going to eat everyone's lunch?
- Inflight Touchpoints in the Digital Ecosystem: Advancing Integration and Intelligence
- Edge Caching and Streaming - Focus on Supply Chain Technology, Standards, Market Dynamics, and Technical Implications of Different Business Models

- From Studio to Seatback: Standardizing Rights Enforcement
- Engineering the Next Generation of Connected Travel – Performance, Data Integration, and Intelligent IFEC Systems

Registration for the event is [now open](#).
