
APOT sets date for summer event

By **PAX International** on April, 25 2019 | Events

The Asia Pacific Onboard Travel (APOT) Conference and Networking event will be held June 16-18 at the Intercontinental Hotel Expo in Shanghai.

APOT is a non-profit association of industry professionals in the travel and tourism industry. Colleagues from airlines, caterers, suppliers and the tourism business with current or potential connections to Asia are invited to attend this friendly and focused networking event. Speakers and presentations will be announced shortly.

“This is also a great opportunity for sponsorship of this event which will be one of the first proper networking events focusing on China and the Asia/Pac region together,” said a release from the group.

Details of the event, Visa application letter, and registration are now on the [APOT Website](#).
