

Clip celebrates 10-year anniversary

[Clip](#) marked its 10th anniversary at WTCE today, inviting select guests to its booth for a celebratory gathering.

Designed to reflect the milestone, the booth features anniversary-themed graphics that underscore Clip's commitment to delivering tailored, smart onboard solutions for airline customers, as well as its position as a creative, design-driven player in the aviation supply industry.

"I would love to thank our customers, partners and my special team who have made the impossible possible. It has been an amazing journey. I have been in this business for 27 years, and the last 10 years have been so rewarding. I cannot think of a better place to be. We are growing and will continue this growth—cheers to the next 10 years," said Cindy Lam, Director at Clip, during the event.

Guests were invited to explore the company's latest innovations on display while enjoying champagne to commemorate the occasion.
