

# FTE opens registration for 2024 events

FTE registration for 2024 is open

[Future Travel Experience](#) (FTE) announced today that registration for four of its global events on the 2024 calendar is now live. These include the FTE Aviation & Robotics Summit in Pittsburgh, FTE EMEA, co-located with Ancillary & Retailing in Dublin, FTE Global in Los Angeles and FTE APEX Asia Expo in Singapore. Registration is available on the FTE website under each separate event page.

## FTE Aviation & Robotics Summit

- When: May 14 to 16, 2024
- Where: Pittsburgh

The [FTE Aviation & Robotics Summit](#) will take place in Pittsburgh, Pennsylvania, this May with Pittsburgh International Airport as the official Host Airport. This will be the second year for the summit, following its successful inaugural event in 2023.

The three-day event consists of a series of conference sessions, workshops, robotics innovation tours and networking opportunities in the “Robotics Capital of the World”. The workshops will be hosted at Carnegie Mellon University (CMU).

“This year, we're broadening our horizons, welcoming all industry executives with a keen interest in robotics and AI,” FTE said.

Summit attendees can explore how AI and robotics are capable of redefining baggage handling, airside asset management, passenger services and more. This event has a limited capacity of 250 attendees. It's [now possible to register](#) or register interest to receive updates online.

## **FTE EMEA (co-located with Ancillary & Retailing)**

- When: June 11 to 13, 2024
- Where: Dublin, Ireland

[FTE EMEA](#) will take place in Dublin, Ireland, this June, co-located with Ancillary & Retailing. This is a three-day event focused on innovation. It features an exhibition, conference sessions, interactive workshops, pitch sessions, the FTE EMEA Innovate Awards and more.

New features in 2024 include the FTE Future Differentiation & Business Model Think Tank, The AI Travel Retailing Symposium, Airline & Innovation Summit and the FTE Baggage Innovation Summit. Steven Greenway, CEO, flyadeal, is confirmed as the first keynote speaker for the event.

[Registration is now open](#) and is free to airlines, with lower rates available to airports. Registration for FTE EMEA also grants access to the Ancillary & Retailing event.

## **FTE Global**

- When: October 28 to 30, 2024
- Where: Los Angeles

[FTE Global](#), once again co-located with APEX/IFSA, will be held in October this year, at the Long Beach Convention Center in Los Angeles, California. This event inspires industry leaders to transform the passenger experience, business performance and sustainability strategies.

The partnership with APEX/IFSA connects the airport and inflight realms under one roof for one of the industry's biggest networking opportunities of the year. New features for 2024 include the FTE Accessibility Symposium and the FTE Robotics and Autonomous Vehicles Think Tank.

[Registration is now live](#) and this year, there are lower rates for premium airport/airline attendees.

## **FTE APEX Asia Expo**

- When: November 19 to 20, 2024
- Where: Singapore

[FTE APEX Asia Expo](#) will take place at the Marina Bay Sands Expo and Convention Centre in Singapore again this November. Some new features this year include the Airline & Airport Innovation Summit, Tech & Innovation Briefings, Self-Service & Biometrics Summit and the APAC Airline/Airport Pioneer Awards.

Singapore Airlines and Changi Airport Group are Headline Partners for the event, where organizations showcase the latest innovations from Asia's leading industry members.

[Registration is now open](#) with free premium passes available for airports and airlines.
