

# gategroup to mark 95 years with immersive exhibit at WTCE 2026

gategroup will exhibit in Hall 2 at WTCE 2026

[gategroup](#) has announced its participation at [WTCE 2026](#) in Hamburg, Germany, marking a milestone as the company celebrates 95 years of innovation and excellence.

From April 14 to 16, 2026, the supplier will set an exclusive, immersive experience in Hall 2, at Hamburg Messe, a space entirely dedicated to gategroup.

“It is not just a showcase, it is a journey into the future of inflight and travel experiences,” gategroup said via LinkedIn. “Across our brands, you will explore creative, sustainable, and future-ready solutions designed to elevate every journey.”

gategroup will share updates for [what to expect ahead of WTCE 2026 here](#).
