

PEC parties in Hamburg

HAMBURG—While the 2024 Passenger Experience Conference has drawn to a close, a massive week for the commercial aviation industry is just getting started. This evening, conference attendees gathered for a Welcome Party networking event, sponsored by [Eutelstat OneWeb](#). The evening of connection and conversation in Hamburg is the introduction to the coming days of shared ideation and innovation at the Aircraft Interiors Expo ([AIX](#)) and the World Travel Catering and Onboard Services Expo ([WTCE](#)) at the Hamburg Messe.

Check out PAX's coverage of the Welcome Party below!
