The inaugural [FTE APAC Innovate Awards](#) were announced on November 20 in Singapore during FTE APEX Asia Expo. The awards ceremony took place on the Premium Conference Stage at the Marina Bay Sands Exp & Convention Centre.

For the region's largest innovation competition, industry stakeholders pitched on-stage to impress the panel of judges and audience, whose votes determined the winners. There were three categories: Most Innovative Vendor Initiative (open to vendors and startups only), Most Innovative Airline Initiative (open to airlines only) and Most Innovative Airport Initiative (open to airports only).

The winners were announced at the close of FTE APEX Asia Expo 2024:

Most Innovative Airline Initiative: [Malaysia Aviation Group](#)

Most Innovative Airport Initiative: [Hamad International Airport](#)

Most Innovative Vendor Initiative: [ZestIoT](#)

The FTE APAC Innovate Awards 2024 took place following the success of the first ever EMEA edition in June.
