

# WTCE celebrates 10 years with prizes and awards

WTCE is set to take place June 14 to 16 in Hamburg

This year's WTCE ([World Travel Catering and Onboard Services](#)) event not only marks the return of the in-person show but also 10 years of the event. To celebrate, WTCE is hosting two campaigns, a VIP experience at the June event and the opportunity for people to nominate an industry icon.

"We are thrilled to be celebrating 10 years of WTCE in 2022. Since our initial event in 2012, the onboard catering and services industry has evolved significantly with countless innovative trends and developments. But none of this would be possible without the amazing people that work hard every day to make our sector the success that it is," said [RX](#), organizers of WTCE.

## **Enter to win a VIP prize package at WTCE**

The first campaign will give the VIP experience to one lucky winner, giving them a free conference pass, hotel stay and exclusive access to the opening party.

"With this unique opportunity you'll be able to enjoy one day of the show, get a free conference pass with access to the exclusive opening party, and a hotel accommodation," said [RX](#).

Enter the competition [here](#).

## **Nominate your Onboard Icons**

Ten winners will be celebrated during the event

Onboard Icons encourages people to nominate a major player in the industry who is making big contributions to the future. Nominators can fill in the form as many times as they want, and entries close on March 30.

"We want to find the 10 people who you believe have made the biggest contribution to the industry over the past decade as well as those who are continuing to drive it forward today and into the future," said RX.

The 10 winners will be recognized in Hamburg. Nominate your icon [here](#).
