The first day of APEX FTE EXPO 2026 is currently underway at the Marina Bay Sands Expo & Convention Center in Singapore. The morning kicked off with the official ribbon cutting to open the event and the exhibition floor.

Under the event theme of “Aviation’s New Golden Era: Higher Revenue, Greater Returns & AI ROI," the expo is expected to attract more than 2,000 participants, including representatives from 100+ airlines and airport operators worldwide.

This marks the first time in a decade that the Airline Passenger Experience Association (APEX) is bringing its flagship APEX Global EXPO event to APAC. In this year’s edition, Global EXPO will combine its passenger experience heritage with Future Travel Experience’s long-established regional innovation platform, uniting the two brands under one roof.
