[AMI Group](#) has launched a new website today, marking a refreshed digital presence for the global travel food and beverage solutions provider. The redesigned site reflects the company's evolution and future direction, positioning AMI Group as a leading partner to airlines, rail operators, cruise lines and the Caribbean market.

The website showcases AMI Group's core capabilities, including culinary design, sourcing, co-packing and logistics, reinforcing its mission to deliver tailored, reliable food and beverage solutions across multiple travel sectors. It also places a stronger spotlight on the company's people, global footprint and partnership-first approach—trusted by more than 60 customers around the world driven by its deep industry expertise.

"We invite you to explore and experience AMI Group like never before. Here's to the next chapter," CEO AMI Group Jeremy Parsons tells *PAX International*.

The launch represents the next chapter for AMI Group as it continues to expand its role in shaping food and beverage experiences across the global travel landscape.

What We Do

AMI Group is the global leader in food and beverage solutions for the travel industry, serving airlines, rail lines, cruise lines and the Caribbean market. More than 60 customers worldwide trust us for food and beverage solutions, relying on our deep, firsthand understanding of the industry.

Our team is a true melting pot of global perspectives, bringing together deep expertise from every corner of the travel industry. From airlines and caterers to manufacturers and distribution networks, we've been there before. That hands-on experience gives us an unmatched understanding of the complexities, challenges, and opportunities that define travel food and beverage today.

As a long-standing global partner, AMI Group delivers practical, innovative solutions tailored to each customer's unique needs. We combine insight, scale, and creativity to help our partners elevate their onboard and on-the-go experiences consistently, reliably, and worldwide.

How We Innovate

Innovation isn't just something we do, it's what we champion across the travel industry. We partner with our customers to imagine what's next, whether that means expanding or refreshing onboard offerings, launching a new program to elevate the passenger experience, or staying ahead of emerging trends.

By combining culinary design expertise, extensive global sourcing, integrated logistics, and co-packing capabilities, we turn ideas into scalable, real-world solutions. The result is a true partnership, one that delivers thoughtfully designed, end-to-end programs tailored to your vision, your goals, and the unique demands of the travel industry.
