

Gut Springenheide introduces Cherry Egg Pancakes

This is a special feature from the [September 2025 IFSA Global EXPO](#) issue of *PAX International*, on [page 10](#).

Gut Springenheide's Cherry Egg Pancakes are baked to a golden, fluffy finish using fresh eggs, flour and traditional craftsmanship

[Gut Springenheide](#), renowned for its premium egg-based products, has unveiled its latest creation: Cherry Egg Pancakes. Produced in the heart of Germany's Münsterland region, the pancakes are baked to a golden, fluffy finish using fresh eggs, flour and traditional craftsmanship.

Juicy, aromatic cherries folded into the batter deliver a sweet, slightly tart flavor that captures the taste of home. Handcrafted with care and rooted in generations of baking tradition, the Cherry Egg Pancakes are now available in a convenient 70-gram portion, ideal for individual servings and travel catering.
