

# LOVE CORN launches Sour Cream & Chive flavour

LOVE CORN showcases its flavours

[LOVE CORN](#) has launched a Sour Cream & Chive flavour with 50 percent less fat than crisps.

The high-fibre, low-sugar snack offers “the perfect crunch, chive-ly flavour and made with simple ingredients, this addition promises to delight snackers, families, party hosts, and those seeking healthier crisp alternatives,” LOVE CORN said in its press release.

The snack is vegan and gluten-free, now available in seven flavours, including Salt & Vinegar, Sea Salt, Hot & Spicy and BBQ, in addition to the new Sour Cream & Chive. LOVE CORN Sour Cream & Chive is sold in a 115-gram bag and is available in Sainsbury’s, Ocado and Amazon.
