

# JOB POST: Global Sales Reps, Plane Talking Products Limited

## Global Sales Representatives - Plane Talking Products Limited

[Plane Talking Products](#) is seeking highly motivated, self starters as Global Sales Representatives in various geographical locations to support global sales effort. Plane Talking Products is a fast-paced, international business (based in the UK) with extensive experience in the design, development and delivery of a wide range of onboard products including meal service equipment, textiles and passenger amenities. The company is looking to grow its overseas business in key areas.

Reporting to the Sales and Marketing Director in the UK, people in the role will be expected to develop and maintain new customer relationships in their area. The role also involves project management and liaison with key stakeholders across the entire product supply chain to develop and deliver innovative onboard products on time and to specification.

Successful candidates will be required to provide regular accurate sales reporting data and contribute to global marketing and sales initiatives.
